Q1 There is a proposal to change the way we elect the President. The current system elects a President based on the state by state vote totals. The new proposal would switch to a system that elects the President according to the vote totals in all 50 states. Would you generally support or oppose switching to a system that counts the votes in all 50 states combined? If you would support switching, press 1. If you would oppose it, press 2.
